

Joint Statement

**Mogadishu Security and Stabilization Initiative
Mogadishu, Somalia
June 6, 2005**

- 1. Members from both the Transitional Federal Parliament and the Federal Government of Somalia in Mogadishu and former presidents; members from the Somali Civil society organizations have held a critical Mogadishu Security and Stabilization meeting on June 6, 2005 at Shaamo hotel. The meeting was chaired by H.E. Mr. Sharif Hassan Sheikh Aden, Speaker of the Somali Federal Parliament.**
- 2. The Undersigned members have participated in this critical meeting (See Annex).**
- 3. This meeting is a follow-up of the on-going Mogadishu Security and Stabilization activities under-taken by members from both federal Legislative and executive institutions in partnership with the civil society organizations. The intended goals of this meeting include:**
 - The discussion and consensus endorsement of the on-going Mogadishu Security and Stabilization activities, while – at the same time – engaging in the removal of all forms of road-blocks inside and outside Mogadishu.**
 - The meeting aims to become the launching pad for a much wider national reconciliation effort in Mogadishu and throughout Somalia.**
 - That this meeting leads to the creation of a neutral political space that bridges the existing gab between members of the transitional federal institutions of Somalia.**

4. The Participants

- **Noted with satisfaction** the progress achieved thus far with regard to the on-going Mogadishu Security and Stabilization activities;
- **Further identified** concrete suggestions on the on-going Mogadishu security and Stabilization activities and **agreed** to collectively support the successes achieved thus far;
- **Urged** the leaders of this on-going process to accelerate the cantonment of heavy weapons, the demobilization, disarmament and re-integration of the armed militia; It was also noted about the imperative role of the restoration of the national security forces;
- **Highlighted** the imperative role of the civil society institutions' participation in the active engagement of the implementation of the Mogadishu Security and Stabilization efforts, these include: The Somali Business Groups, Islamic Sharia Courts, Civil Society Organizations, Traditional Elders and Religious leaders.
- **Reiterated** their deep concern over the need to help an environment of mutual understanding and resolution of the political dispute between members of the transitional federal institutions;
- **Expressed** commitment to the realization of the Mogadishu Security and Stabilization Plan;
- **Acknowledged** the immediate removal of the existing road-blocks across the city as a base for a successful pacification of Mogadishu;
- **Expressed** their deepest concern over failure to the current on-going Mogadishu Security and Stabilization Plan, not only as a set-back to Mogadishu initiative, but also to all Somalia;

- **Requested Targeted assistance in the interim from the international community to support the on-going Mogadishu Security and Stabilization efforts;**
 - **Urged the sustainability needed to have the on going efforts taken over by the relevant Gov't institutions with in the framework of the TFG while the good will and inputs of other stakeholders are fully utilized.**
 - **Expressed their appreciation to the selfless efforts of the Somali Center for Research & Dialogue (CRD) in the preparation and arrangement of this important and critical meeting.**
5. A more detailed report on the proceedings of this critical meeting will be made available to all participants in thus critical meeting and other interested parties. The full report will be made available on the CRD website: www.crdsonalia.org
